

An Ecumenical Mission of the Synod of the Sun, PCUSA

*Believing Jesus Christ is the Light of the world,
we envision a reality where every person on the planet has
access to clean, sustainable, life-changing energy.*

Did you know?

As the days get shorter, billions of people who live in energy poverty are worried. Will there be enough daylight to work, study, and do life-sustaining chores?

Did you know?

YOU can make a difference!

Join us for **Solar School #26**: Oct 26-29, at Ferncliff Camp and Conference Center near Little Rock, AR.

SS#26 will feature:

- FREE tuition for all college students!
- HUGE reductions for returning students!
- EARLY registration reductions for all others!
- OUTSTANDING instructors!
- POWERFUL opportunities for engagement!

Join us as we fight energy poverty! Sign up for Solar School. **Invite** a friend to sign up. **Spread the word** in your church/organization/workplace in person and online. Make a **donation**. Above all, keep Solar Under the Sun in your **prayers**.

*Solar 1 \$485

*Solar 2 tuition: \$585

*use code **SSEARLYBIRD50** before 10/1/23

*returning student tuition: \$200 (When you register, tell us when (approximately), you attended solar school, and your registration fee is all you will pay.

More at solarunderthesun.org

Thanks to Solar School #25 (Spring 2023) graduates from Conway, AR, these children in Kenya now have clean water from a solar-powered water purifier.

We need people who are technically inclined and people who are not.
